OUR VISSION

To Enable Economically Underprivileged Parents To Ensure That Their Little Ones Also Get To Attend A Playschool / Nursery Before Joining Regular School In Our Talks With The People Around Indira Nagar, Adyar We Realized That Many Of Their Children Are Left To Their Own Device From Age 2 To 5 Reason For This Is Mainly Due To The Fact That The Parents Were Unable To Bear The Financial Burden Of Enrolling Them In A Nursery. Hence They Would Wait Until The Children Were 5 And Put Them In A Regular School. Tn This Process They Were Also Finding It Difficult To Secure A Seat For The Children In A School Of Their Choice And So Had To Settle For Any School That Would Take Them. The Children Were Not Prepared Enough To Undergo The Tests That Are Necessary To Gain Admission To Well Recognized Schools. This Then Became Our Primary Concern And We Have Decided To Offer The Children The Experience Of A Nursery / Playschool.
